ALEX  
 Sounds nice. There's just one place  
 I have to go first.

EGO  
 Oh, yeah? Where's that?

**INT. COMMUNITY CENTER - DAY**

We're in the middle of a group therapy session. MEN of all ages sit in a circle, holding drip coffee in Styrofoam cups.

Alex stands. He clears his throat.

ALEX  
 My name's Alex, and --

Alex looks to the back of the room. He spots Ego. Her eyes meet his. She nods with encouragement.

Alex takes a deep breath. He broadens his shoulders.

ALEX  
 I have a small penis.

His words meet SILENCE.

Then, slowly... meager, scattered CLAPS SWELL -- into thunderous, rapturous APPLAUSE.

A sign on an easel, now visible: "Small Penis Support Group."

Ego smiles. Alex gets a standing ovation -- as an upbeat, Billy Joel-esque POP ROCK anthem kicks up.

Alex beams with self-acceptance. He recreates the victory pose from his customized Wheaties box. A winner, at last.
